FRIENDS OF THE PARKS

Friends of the Parks is a Non-Profit Organization and Needs Your Support

The parks in Polk County are among the county's greatest treasures. They provide scenic resources, historical sites and outstanding recreational opportunities. The Friends of the Parks Foundation helps the parks and recreation departments of Polk County enhance, promote, protect and preserve the parks. With rising costs and increasing populations, they need our help more than ever.

You can help by becoming a member with an annual membership or by making a donation.

We thank you for playing an active role in supporting Friends of the Parks.
