## TREK 10 TRAILS

The mission of Bonnet Springs Park is to enrich the community through nature, culture, recreation, and education. This new privately developed 168-acre regional park is a blended urban/natural park that depends solely on public support. The park serves to unify Lakeland's diverse population, offering public spaces that serve the needs of many by providing engaging and diverse opportunities in education and recreation to residents and visitors.

### FIND CACHE WITHOUT GPS:

Park at the Welcome Center Parking lot. From the back of the Welcome Center enter the Ag America Gardens following the Oak Grove Trail to the BPS Circulator. Turn right onto the Circulation before entering the Crenshaw Canopy Walk. Pass the treehouse on your right and then the Nature Center on your left. Just after the Nature Center boardwalk turn left an into the opening and look to your right. You will see a mulch trail. Follow the trail until you see Zoe's Butterfly House, pass the large cut down tree on the left then there is a clearing on the right with a view of Zoe's Butterfly House. Start looking back to the left for a cluster of small tree trunks. Look at the base. If you reach a small trail on the left to the Banana Tree "Forest" you have gone too far. Return the way you came or continue a bit father to reach the Circulator just past Zoe's Butterfly House. Turn right to head back towards the Nature Center.
